Career and Life Planning Grant 2016 – 2017

Aim of Career and Life Planning Grant

1. Empower and enhance the capacity of the teaching team involved in providing support in career guidance service and life planning education for students.
2. Teaching team needs to be empowered to embrace a paradigm shift from career information dissemination to embodying the essence of life planning education in a more co-ordinated and systematic manner.
3. Enrich the contents and expand the scope of the existing level of career guidance service so as to help students understand their own capabilities, career/academic aspiration, develop positive attitude towards work and learning and integrate their career/academic aspirations with whole-person development and life-long learning.
